

Proposed CFC Fundraisers

1. NWU pants and Navy Blue shirt for a week for \$5.
 - a. Sailors would be authorized to wear their NWU Pants and the plain navy blue shirt instead of coveralls while underway for 7 days. Other command approved blue shirts can also be worn.
2. Coveralls Pressed \$2
 - a. Sailors will be able to get their coverall pressed by the CFC representatives utilizing the equipment in Laundry. I have already discussed this with ASUPPO, he said it was ok as long as we completed the PQS.
3. Pumpkin / Watermelon Carving Contest \$15
 - a. Sailors will be able to buy their way in to the contest as teams of 2-5 personnel from each department. The carving will take place on the Flight Deck for easy clean up. The crew will vote and the winners will receive a Pizza Night delivered to a space they choose on a night they determine.
4. Departmental Clean Up the Change Challenge
 - a. We will place containers in a space for every department and the department with the most money in change at the end of the pre determined time frame will receive the dessert of their choice delivered to their space.
5. Raffle off a night in the CO's At Sea Cabin \$5 per
 - a. Sailors will have the opportunity to check in on a Saturday at 1600 and check out Sunday at 1600. 3 meals will be delivered to the room by the CFC team.

All fundraisers have been declared legal by ADMIN.

All food contributions have been approved by CSCS Dralle.

We will start with these fundraisers; any other suggestions from the CFC team will be routed for approval at a later date.

Very respectfully,

IC1(SW) Sandra Lee
2013 & 2014 CFC Coordinator Representative
